**Closure Date:** 07/30/2021

Notes:

The school's owner, Pioneer Education, LLC, made the decision to close all Jolie Health and Beauty Academy campuses due to financial losses suffered as a result of the COVID-19 pandemic and having been placed on HCM2 in June 2021 by the U.S. Department of Education (The Department). The combination of these two issues was deemed insurmountable to continue operations.

In June 2021, Pioneer notified its accreditor, NACCAS, of their plans to close their campuses and to voluntarily relinquish their accreditation effective August 31, 2021. Recruitment and admissions of new students was suspended in December 2020 due to COVID. Students were provided written notification in advance of the closures and notification letters were sent to the NJ and PA state licensing agencies. All staff had been notified of the plans to close and their website had been updated. The Department initially found out about the planned closures through an accreditation alert that was received on June 21, 2021. The school is in the process of identifying a custodian for the student records.

**Student Arrangements:** Students who were unable to complete their course of study at the time of closure were given the option to transfer to one of the teach-out institutions.

Student Arrangements: Students were made aware of the location closure in September/October 2018.

September 2018

- Teach Out plan was designed that included a 2 ½ year plan for how all courses would be offered to all students enrolled in the MFT program at the Colorado Springs campus. Individualized course plans created for each student. Students also had the option to complete their course work at the Thornton campus if they had conflicts with their specialized teach out plan.

October 2018

- All Colorado Springs students were invited to attend a mandatory meeting in person to announce the plan to teach Out the MFT program in Colorado Springs. At this meeting each student received a personalized plan with all courses needed for degree completion and when those courses would be offered at the Colorado Springs campus.
- Letters with detailed announcement and specialized course plans sent to students who were not in attendance at the in person meeting
- All MFT affiliate faculty and clinical contracted sites were notified

November 2018

- Letters sent to students who were not actively attending classes but who were enrolled in the MFT program

December 2020

- Due to COVID restrictions that prevented in person classes, the Colorado Springs campus closed one semester early. Students completed teach out plan through remote synchronous classrooms.

Summer semester 2021

- Final class offered remotely (one Clinical internship class)
